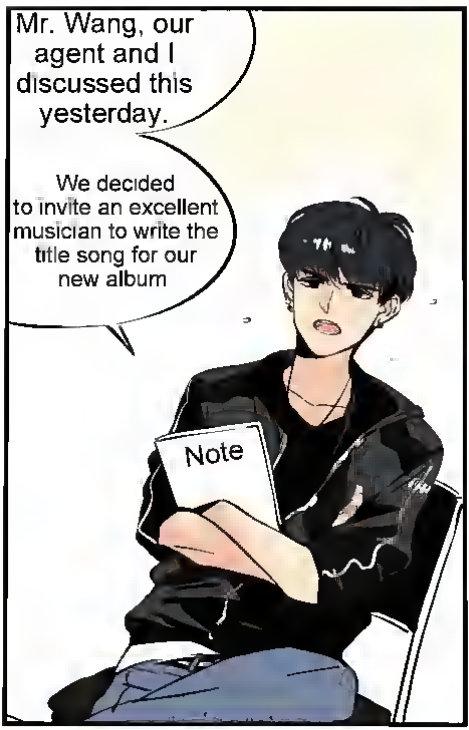
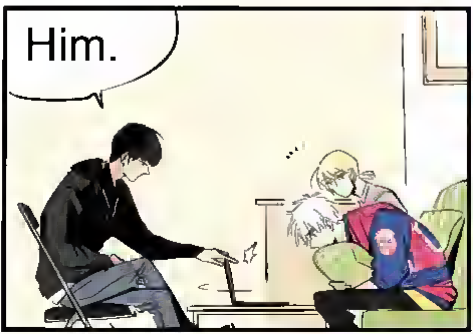
A plan for early this year

The reason that why we lost to BH last year is not because of our popularity, but our music.
So if we want to defeat them this year, we must prepare high-quality music!



Mr. Wang, our agent and I discussed this yesterday.
We decided to invite an excellent musician to write the title song for our new album
Note

Who do you want to invite?



Him.

Name - KUKU

Group Name -
Dream Boys (DB for short)

Five-people Group

Role- Leader &
Instrumental performer

He graduated from
the best conservatory in the world

He is good at performing many musical instruments,
especially saxophone and violin.
But what really makes him outstanding is his talent for writing music!

However, such a talented musician just wants to be an idol singer.

He was accepted by a small entertainment company

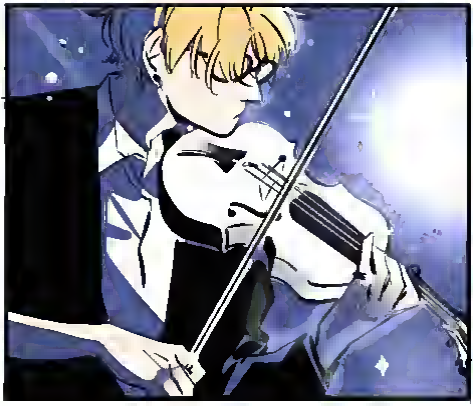
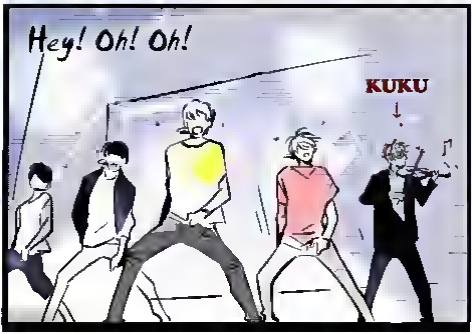
Oh Oh!
Yeah-eh-heah
He is not good at singing and dancing, and he is not very good looking
Alas, don't be so choosy At least we don't have to hire a new person to write music

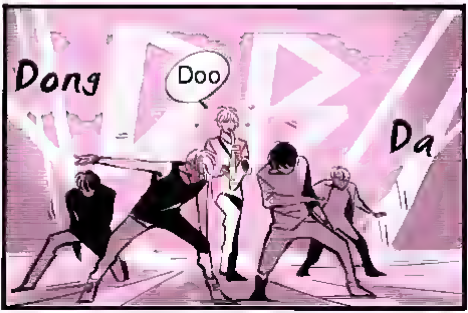
Because of his poor performance on singing and dancing, he can neither dance nor sing on the stage, but just stay there and help to change formation.

And this makes their group develop a





Hey! Oh! Oh!
KUKU



Dong
Doo
Da

He becomes the only idol who has no microphone

Why do I feel so sorry for him...
